The Coniston Experience

WHAT MY CHILD CAN EXPECT AT CAMP CONISTON

Twelve hundred acres of pristine wilderness in the mountains of western New Hampshire are home to YMCA Camp Coniston. Our summer sleep-away camp encompasses a rustic environment nestled along the 3.5 mile shore of the lake from which Camp takes its name. *As a nonprofit social service agency with a focus on youth, our mission is to create experiences that build healthy spirit, mind and body for all.*

Camp is where campers canoe and swim, make fires and friends, try archery and riflery, and explore drama and the arts. But Camp is much more than that. Campers and counselors work together, learn new skills, and build an honest, caring and respectful community where all individuals grow. It is this strong sense of community that translates into an unparalleled loyalty and fondness for Camp Coniston, among counselors and campers alike.

The heart of our programs has much to do with stretching to meet mental and physical challenges, gaining confidence and becoming skilled at teamwork. Our programs incorporate the natural surroundings and require a can-do attitude, cooperation and age-appropriate independence.

Active and successful participation in the sleep-away camp experience at YMCA Camp Coniston entails the ability to independently, safely and cooperatively:

- Live with (i.e. sleep with and create a summer home with) similarly aged and gendered campers in a tent or cabin, and take part in the social and play time of the unit.
- Exhibit suitable behavior without needing more than the usual amount of individual attention.
- Be responsible for personal care, and individual health and safety.
- Follow a varied individual and group activity schedule, and manage free time with minimal supervision.

The Coniston Experience

— CONTINUED —

- Maneuver rugged and steep terrain and distances between activities that are part of the natural surroundings.
- Enjoy overnight excursions which may require challenging hikes and offer little or no shelter.
- Understand and respond to group instruction for most of the activities offered at Camp.
- Join in group activities that build community, such as singing, campfires, and family-style meals in the dining room.
- Act appropriately in case of an emergency.
- Contribute positively to the overall spirit of the Camp community.

YMCA Camp Coniston endeavors to arrange reasonable accommodations to make Camp accessible while preserving the rustic facilities, natural surroundings and a quality camping experience for all.

ADOPTED BY THE YMCA CAMP CONISTON BOARD OF DIRECTORS, MARCH 25, 2004. UPDATED BY BOARD ON JUNE 7, 2018.

Director's 2¢

Thank you for choosing YMCA Camp Coniston for your child's camping experience!

For more than a century, YMCA Camp Coniston has brought quality camping and exceptional learning experiences to kids, staff, parents and alumni from New England, the US, and around the world.

It's a responsibility we at Coniston take seriously, and literally, and we hear it from campers and alumni every day ... their experiences at Camp taught them as much, or more, about themselves than almost anything in their lives.

We are here year-round working to ensure that your child has an extraordinary experience.

John Tilley, *Executive Director*

About YMCA Camp Coniston

GENERAL INFORMATION ABOUT OUR CAMP

YMCA Camp Coniston is a co-ed sleep-away camp located on Lake Coniston, surrounded by 1200 acres of beautiful protected wilderness. Camp is the perfect place for your child to make friendships that will last a lifetime, as well as learn about themselves and the world around them.

Each two-week camping session, Coniston hosts 388 girls and boys ages 8-15. Our cabin staff ratio of 10 to 2 gives your child the attention they need. The Boy's and Girl's Camps are on separate sides of Lake Coniston, and shared facilities, such as the Dining Hall and the Lodge, are located between.

YMCA Camp Coniston's philosophy is to utilize our numerous programs to provide individual participants the opportunity to be vital in a larger community. Through this group work campers grow individually in confidence, connectedness, and sense of purpose. Our experience shows this process creates young people with tools capable of managing the numerous risks of adolescence.

Camper Ages & Divisions

While we firmly believe in younger and older children learning together, our camps are divided into three divisions that help ensure your child's experience is age appropriate. Our campers range from age 8 (must be 8 by June 24th) to 15.

- Junior Division completed grades 2-4
- Middler Division ... completed grades 5-7
- Senior Division... completed grades 8-10
- One Week Sleep-Away Camp grades 2-6
- Adventure Campages 12-15

Camp Activities

Your camper will participate in eight instructional activities, which includes swimming instruction, during a two-week camp session (see *pg 14 for activity choices*.) He/she will select program areas from the Activity Sign-Up form available online, and on check-in day will receive a custom schedule based on program availability.

There are four activity periods a day that are scheduled on a M-W-F and T-Th-Sat rotation. While we do our best to schedule your child for his or her top activity choices, it is sometimes difficult to do so because of enrollment limitations. For this reason, we encourage Campers to try new things and enjoy their experiences!

About YMCA Camp Coniston

— CONTINUED —

Swimming has been an important part of Camp since we began, and every Camper is required to take swimming lessons as one of their activities each session. A swimming test is given to each Camper on check-in day to determine what level swimming class he/she will be placed in.

Campers are allowed to change schedules after attending the activity at least once to try it. Changes will be allowed depending on class size and availability.

In addition to the instructional activities, your Camper will participate in activities with their respective Camp (Boys or Girls), with their Division (age group), and with their cabin group. YMCA Camp Coniston offers almost two hours of independent “free time” daily for Campers to participate in their favorite activities and socialize with other Campers and staff.

We believe this schedule gives Campers a variety of avenues to make new friends and learn from a diverse group of peers.

COSTS, CONTRIBUTIONS, & YOUR CAMPER

Maybe you knew this, maybe not. The Coniston Board of Directors puts a lot of thought into the price of camp. We thought you might like to know, and know **why**.

First, we do everything we can to hold the price down. We think it is best if as many families as possible can simply afford the price of camp. One of the ways we keep the price down is by subsidizing each camper’s tuition. Last year, we spent \$237 more per camper than we charged.

In addition to keeping the price down, camp offers financial assistance and camperships to over 350 of its total participants! We fund raise for these camperships to balance the books and grow camp!

These strategies literally make the Coniston Community reflective of the NH communities in which we operate. Having campers from every walk of life is what makes Coniston—well, Coniston. The magic of Coniston is made by the fact that any camper can attend. Years of experience show that making certain Coniston is open to **any** camper, makes Coniston better for **every** camper.

We hope you’ll agree and support us by spreading the word, being an vocal advocate, and supporting our efforts at keeping Coniston open to all.

Our Staff is comprised of young adults who have completed at least one week of specialized training each year ... most were Coniston campers themselves. Staff are chosen for maturity, commitment to children’s growth and a love of the community. Each session includes 3 registered nurses, a minimum of 70 lifeguards, and more than 80 first aid/CPR certified members.

Camp is year-round education.

It is not academic, but your child may learn more in two weeks about themselves than in the remainder of the year.

Special Needs and Accommodation Policy

YMCA Camp Coniston will provide services to children with disabilities or any special needs in the same manner as services are provided for other children of comparable age. Camp will make reasonable accommodations that do not fundamentally alter the nature of the sleep-away camp experience as described in the "Coniston Experience Statement." Requested accommodations shall be reviewed on a case-by-case basis as outlined in the "Policy and Procedures for Accommodations for Special Needs" (*available upon request*).

Expectations of Privacy

While your child is at Coniston, Camp management acts *in loco parentis* — this means that we are legally acting as the underage child's parent while they are at Camp.

Because of our close shared living quarters and bath houses within boys and girls Camp, Campers and staff should have limited expectations of privacy. As always, our Camp community expects considerate, respectful, and safe behavior by all as outlined in the Coniston Experience.

Cabin Mate Requests

There are many factors that go into cabin placement, and every effort is made to honor requests. However, **first year Camper requests are the only ones guaranteed, as long as campers request each other, and are in the same grade.** Only one request per Camper is allowed.

Camper Forms

You will be able to access and fill out all your Camp forms through your account that you created when you submitted your online application. We will send you an e-mail when the forms are available.

The Coniston Food Drive

Help Us Help The Community

The Coniston Food Drive occurs on opening and closing days of every session. In past years, members of the Coniston Community donated **over a ton of food** to the Upper Valley Haven and the Kearsarge/Lake Sunapee Food Pantry. Together we can make a difference, at a time of the year when food bank inventories run short. Please contribute!

Please ... No Dogs!

We understand that your dog is a member of your family.

But because not all dogs like each other, we ask that you leave them home on check-in and check-out days.

Behavior & Dismissal Policy

As a close-knit community, YMCA Camp Coniston expects each camper to respect themselves and everyone at Camp, as well as the rustic facilities and natural surroundings.

All members of the Camp Coniston community — including staff and campers — are expected to behave responsibly and appropriately at all times. After reasonable efforts to modify irresponsible

or inappropriate behavior (including but not limited to bad language, use of threats or fighting), a camper may be dismissed. Direct threats of significant physical harm to self or others are grounds for immediate dismissal, as is the possession or use of tobacco, drugs, alcohol, juuls or pods while in a Camp program.

Campers dismissed for disciplinary reasons are not allowed back in Camp for the remainder of the summer and may be asked not to return to Camp in the future.

On Homesickness ... Some Important Information

It may be your instinct to send a cellphone to Camp with your child, in an attempt to cut down on homesickness.

Our experience consistently indicates exactly the opposite.

Talking to/texting with parents brings up memories of home, and we find it actually increases homesickness. This not only impacts your child but the children around them.

In addition, cellphones and other personal electronics reduce the face-to-face connections that your child will make during their summer at Camp, and hinder their ability to make new friends.

Parents should understand that initial letters home might involve strong homesick feelings, especially from first-time campers.

If, after a second unhappy letter, you have concerns, please don't hesitate to give us a call and discuss the issue. Be assured, we'll do everything we can to make your child's experience satisfying.

Camp is really about getting away from day-to-day technology — the "everyday routine" — and getting to know their new friends, face to face.

Frequently Given Answers ... !

- **Telephones** are not allowed for camper use. Any cell phone found will be brought to the office for safekeeping until parents pick up at check-out.
- **E-mail** is not accessible to campers.
- **Snacks** are provided daily by Camp; we do not allow food in cabins as it attracts animals. *Any* food sent to Camp will not be given to your child, to control squirrels etc. in cabins.
- **Tipping the staff** individually is discouraged, but we do have a "staff appreciation fund" for special pizza parties, etc. If you wish to show your appreciation, stop by the Camp office.

Meals

Campers eat meals family-style with their cabin group in the Coniston Dining Hall. The Camp Coniston food service staff prepares the meals, and second helpings are always available.

In addition, the dining hall is open during the day if a camper desires a quick snack to hold them over until mealtime.

We can accommodate some food allergies, each considered on a case-by-case basis. YMCA Camp Coniston strives not to serve food containing nuts.

However, we cannot guarantee that cross-contamination from producers has not occurred for any allergy. Please call the Office before Camp begins with any questions.

REGISTRATION FOR THE NEXT SUMMER — CIT PROGRAM
LOST AND FOUND — A NOTE ON FACEBOOK

Registration for The Next Summer

Coniston is one of very few camps in the U.S. that fills up quickly every year, usually before the holidays. This is due to the many campers who return with us, summer after summer. Here's how Camp's application system works:

- **Returning Campers** (from 2018) are accepted first, starting around *July 1st*. Returning Campers should apply with their siblings. While we cannot guarantee your registration to Camp, you should get your application in as early as you can — this will definitely increase your chances of being accepted.
- **Wait-List Campers** (from 2018) are accepted next, starting on *October 16th*. To be considered you must do two things:
 1. Submit the *Application* online starting *July 1st*; and
 2. Remain active on the *Wait List* throughout the summer.
- **New Campers** are accepted next, starting on *October 17th*. New Campers begin submitting applications *in early July*.
- Please note that *all applications are space-permitted* — applications are processed in date-received order. By applying, you are not guaranteed acceptance to Camp; however we encourage all campers to get their applications in early, to increase your chances for acceptance. The sooner we receive your application, the better your chances are.
- We highly encourage people to apply online, even once Camp is full. Our waitlists are very active — in the past few years we have typically registered 100 campers from the Wait List each season, most during the spring months.
- Most Campers find Coniston through word of mouth. Your kind words and references are appreciated. Make certain to let your friends know about registering early — remember, New Campers should begin sending in applications *in early July*, and registration for New Campers begins *on October 17th*.

Surveys ...

will be emailed at the end of each session. Please let us know what you think — both good and bad! — by replying to Camp so we can improve for next summer.

Lost and Found

- We donate all lost & Found items left at Camp to a local charity.
- Due to our large population of campers we cannot mail Lost and Found items.
- Make certain to look in all Lost and Found locations for your child's belongings.

Facebook, Twitter, YouTube, Instagram ... and Camp

You should be aware; it is YMCA Camp Coniston's position to discourage Camper-staff interactions on such sites. However, Coniston does maintain its own monitored Facebook page, where Campers and staff may keep in contact with each other.

We hope parents can help their Campers understand that this allows staff to have "their own space" where they can participate in their private

lives, while still giving a public location for Campers and staff to communicate.

As a close-knit community, social networks present a special challenge for Coniston during the year. We encourage parents to talk to their children about this issue, and research their own children's internet activities so they can stay informed.

The Coniston CIT Program

THE FIRST STEP IN
LEADERSHIP AT CONISTON

“What happens when my child is too old for Camp?”

The Coniston Camper In Training (CIT) program is a long-standing Camp tradition, and the majority of our senior campers apply for this special teen leadership program when they age-out of Camp.

The CIT program is for 16 year olds (by June 24th of that summer). The Program is all about personal leadership and development — the first step in Camp Coniston’s leadership training series.

The requirements are rigorous and the training can be demanding, but the rewards are huge — developing and encouraging the responsibility and independence which is essential in our staff’s futures, both here at Coniston and in life at home.

Your Senior Camper will receive a CIT application during their session. Applications must be received by *October 15th*. Notifications are mailed in the early winter. For further application details of this competitive program, see the CIT section of the Camp website at www.coniston.org.

CIT age Campers may also choose to participate in the Coniston Service Trips — see *pgs 33 - 36 for details*.

Coniston Alumni

ENSURING CONISTON'S FUTURE

YMCA Camp Coniston is fortunate to have a dedicated group of alumni who maintain their Camp friendships, and “give back” to the Camp community. Many alumni send their children to Camp, participate in reunions, and are annual donors to the Campership Fund, the Annual Fund, and the Centennial Endowment.

Who are Camp Coniston alumni?

Anyone who was a camper or staff at Camp Coniston, The New New Hampshire YMCA Camping Reservation or Camp Soangetaha, from 1911 to present.

Coniston Alumni: Get Involved & Stay Connected!

Make sure Camp has your Contact Information! Fill out our online form at www.coniston.org/alumni

Stay in touch with us! Our Camp newsletter, *The Coniston Chronicle*, is mailed twice yearly to Campers, staff and alumni. Please let us know what’s happening in your life — you can send updates via Camp’s Facebook page, by email, or by using the Alumni link on our website. Our homepage is updated throughout the year, the pictures rotate frequently, and we post notices and important information on the “Clipboard”.

Visit Camp! If you are ever “in the neighborhood,” stop on by. It is best to call the office first, (603) 863-1160, and let someone know that you are coming. The office is staffed year-round.

Send your child to Coniston (or someone else’s child, for that matter!) Nothing connects you back to Coniston like having your son or daughter attend the same Camp you did ... your child may even be in a cabin with other children of alumni!

Attend or Organize a Reunion! There have been a number of Camp Reunions held over the years. Check the website often to learn about “at-Camp” Reunions... or organize a Reunion of your own!

YMCA CAMP CONISTON'S
SUMMER ADVENTURE SERIES!

What is Adventure Camp?

YMCA Camp Coniston's Adventure Camp offers participants the opportunity to have exciting adventures in spectacular locations. The combination of camaraderie and activities makes this a program that campers will remember for a lifetime.

One-week trips in New Hampshire, Maine, Vermont, Massachusetts and Quebec focus on climbing, hiking, whitewater rafting and biking in beautiful settings. Our dedicated and enthusiastic leaders are experienced and undergo a week of training prior to Camp.

Our trips are scheduled to maximize your opportunity to pair one or more adventure programs with a sleep-away camp session. Check our website at www.coniston.org for up-to-date Adventure Camp news, and the latest itineraries.

Program Information

Staff: Our travel staff is selected for a variety of reasons, including their desire to work with youth, past experience, outdoor and leadership skills, and overall enthusiasm. Each leader is 21 years of age or older and is certified in CPR and First Aid. At least one leader will also be a certified lifeguard, and will hold a Wilderness First Aid certificate.

Adventure Camp 2019

YMCA CAMP CONISTON'S
SUMMER ADVENTURE SERIES!

Each trip will have 3 leaders ensuring a staff to camper ratio of 1:4. All staff are certified in First Aid and CPR and at least one of the leaders will be a certified Lifeguard and will hold a Wilderness First Aid Certificate.

Campers: Campers must be willing to challenge themselves and learn new things while living in a communal environment. Most importantly,

campers should have an open mind, be enthusiastic ... and be ready for the time of their lives! Basic swimming ability is required.

Outfitters: On each trip offered, we team up with at least one professional/certified outfitter for outdoor activities. All outfitters are highly regarded in their respective fields and have years of experience leading youth trips.

Experience: YMCA Camp Coniston has been leading outdoor trips for over 50 years in the White Mountains and Monadnock Region of New Hampshire. We bring to the field a wealth of knowledge and a passion for outdoor education.

Safety: On all trips, safety is the foremost concern. Activities are "challenge by choice" and designed to be age appropriate.

Our trips are run in accordance with the American Camping Association standards and our leaders and the outfitters will work with each child to reach his/her full potential during the trips.

CONISTON SERVICE TRIPS

Change one life ... Change the World!

YMCA CAMP CONISTON'S SERVICE TRIPS FOR TEENS!

These special trips are designed to take the Coniston Spirit on the road, to help those less fortunate than ourselves.

Projects from previous summers include working on a Habitat for Humanity house in the mountains of West Virginia, working with the City Mission Society of Boston aiding our local homeless population and volunteering with Feeding America at a Food Bank in the mountains of Virginia. In the future, we plan to include trips which will work with youth at other camps and facilities throughout the country.

On every trip, participants will volunteer for a week, and then participate in fun-filled activities special to that location, including whitewater rafting, hiking and travel.

Each winter, our staff identifies specific projects through need, availability and the ability to safely accommodate our participants. By identifying the location during the winter, camp staff are able to choose projects on an emerging basis. This could include helping victims of storms or other natural disasters. It is also our goal to have participants get a genuine experience, unique to each location. Our intent is for the second trip to focus on giving back to Coniston's local community, anywhere from Burlington, Vermont to Boston, Massachusetts while the first trip will travel afar.

Participants from both trips will be provided a certificate with hours served to fulfill high school graduation requirements along with the satisfaction and accomplishment that comes from reaching out to those in need.

Participants must be 15 or 16 and completed one year of high school.
