Director's Message . . .

The summer of 1991 was extremely successful, and, as new director, very rewarding and educational along the way. The weather was definately in our favor — warm, sunny days made for happy campers and even happier staff members.

I was very fortunate to have the opportunity to work with Bob and Erma Sanders from January 1st through the end of March. (They officially retired on April 1, 1991). This made for a relatively smooth transition. The Camp Committee hosted a retirement party for Bob and Erma on Friday, August 9th at camp. Despite the cold and rainy weather, many former campers, staff members and friends attended making it an enjoyable evening for all! Special recognition was given to the Sanders for their over 22 years of dedicated work to Camp Coniston and the YMCA. In Bob's honor, the Camp Committee in conjunction with the Loon Preservation Committee established "The Robert V. Sanders Educational Endowment Fund". A plaque will hang in the lodge with the inscription: "Established in 1991 for the young naturalists at Camp Coniston in recognition of his efforts to provide for the future of Common Loons here and throughout the wilds of New Hampshire." In Erma's honor, the CIT's constructed a beautiful flower box along side the office (you can see that in the CIT's picture — session 3 & 4).

The American Camping Association (ACA) visited with us on July 31st. The camp received an excellent report and will be accredited through summer '94. Many thanks to the hard work and the numerous hours staff put in preparation for this visit.

With the change in directorship brought many new staff changes. The "new" staff meshed nicely with the "old" staff, and as a result we have many exciting plans for the future.

We salute you, the campers and parents of Camp Coniston, because without you we could not exist. We hope you enjoyed your stay and are looking forward to '92. Please keep in touch — we appreciate all comments and concerns so that we can continue to provide the very best camping experience for you and your child(ren).

Cheers

The LaRues
