Ninety Years of Camping Excellence 1911-2001

A Brief History of YMCA Camp Coniston

YMCA "Camp Coniston's existence is firmly rooted in its predecessor, Camp Soangetaha which nurtured and fostered YMCA camping for boys and girls with the original camp being organized in 1911."

Douglass Reed (1925-1997)

YMCA Camp Coniston Alumni Hall of Fame, Charter Inductee, 1998

Director, Western District YMCA/Camp Coniston, 1967-1968

Director, Western District YMCA/New NH Camping Reservation for Boys and Girls 1965-1966

Director, Western District YMCA/Camp Soangetaha 1960-1964

In its first century of existence YMCA Camp Coniston has worked with local citizens in their communities by operating agricultural clubs, childcare, youth conferences, teen service clubs, women's service clubs, youth in government and youth sports leagues. After just seven years in existence, we raised approximately \$150,000 for the "morale and welfare" of the troops in World War I. As our summer camp grew, the need to expand required a move.

In the early 1960's the search for a new campsite began in Western New Hampshire. We are now the fourth largest YMCA camp in the United States. Relocating a camp with more than a half-century of tradition was not easy. With great loyalty to their beloved YMCA Camp Soangetaha, the volunteers and leadership quickly realized that if YMCA camping were to continue in the area, a new site had to be found. YMCA Camp Coniston/Soangetaha has operated every summer since 1911.

Coniston is presently addressing the problem of "latchkey" children with after-school centers in five New Hampshire schools. Additionally, we administer programs for children with special needs including cancer survivors and children with extreme asthma. Coniston also hosts Protestant and Catholic teens from Belfast, Northern Ireland in a local collaboration focusing on peace and reconciliation. YMCA Camp Coniston also administers Youth in Government for the Claremont, Lebanon, Mascoma, Newport, Kearsarge, and Sunapee School Districts.

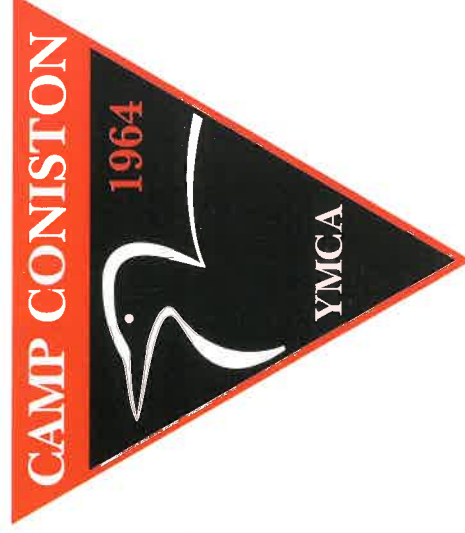

YMCA Camp Coniston's summer programs are based in the belief that all kids deserve the opportunity to work, play and learn from each other. This shared concept allows mentoring of the younger campers by older, and spreads the sense of tradition throughout our community. YMCA Camp Coniston's campership program assists local children who might otherwise not afford the costs of a camp experience.

While YMCA Camp Coniston has changed its name three times during its history, it continues to operate under the same charter granted by the YMCA of the USA in 1910. The move in 1964 to a site ten miles away was an event that enables Camp Coniston to serve children from across the nation with top-rated programs that foster caring, honesty, respect, and responsibility in each individual.

Mission Statement

As a nonprofit service organization with a focus on youth, YMCA Camp Coniston creates experiences that build spirit, mind and body for all.

Dear Coniston Families,

Last week at the end of a day, I watched a beaver swim through the girl's waterfront with a branch in tow. What a memorable experience. Of course the beaver probably had no idea it was swimming through a section of the lake where just a few months before thousands of campers and staff had played, made friends and learned new things.

As I begin my second year here at YMCA Camp Coniston I cannot imagine there is a finer camp anywhere in the country. Our staff, campers, and volunteers are exceptional. The quantity and quality of our programs is superb. And our outreach into the state and local community is creating opportunities for young people locally and around the world.

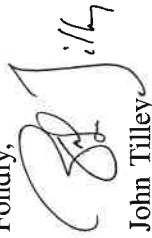

We are lucky at Camp Coniston to have a campership program that provides opportunities for children to participate in our camp regardless of their ability to pay. This program insures that all children can benefit from the value of a Coniston Experience. Several weeks ago a staff member was telling me stories of her campers, and the tales of baby-sitting and work in order to save money to come to camp. Coniston is a great-level-playing field, with kids from all over New Hampshire and the nation participating in programs together—with no care as to which school or background of the others here at camp. Coniston is truly more than a place. Coniston is a community, a sense of belonging to a larger group of people with shared experiences and values.

In addition to our youth programs, over the past twelve months YMCA Camp Coniston has provided camping experiences for families who have children with cancer, which were underwritten by grants and donations. Coniston hosted Protestant and Catholic youth from Belfast Northern Ireland in conjunction with area youth and churches for ten days to make our world a better place through peace and reconciliation programs. We collaborated with, and hosted programs for youth with severe asthma in conjunction with the American Lung Association of New Hampshire, and hosted all Rotary Exchange International Students in New Hampshire and Vermont just to mention a few. Locally, Coniston helps working families with after school care by providing supervised and structured activities in Claremont, Lebanon, Plainfield and West Lebanon. Additionally we host Youth in Government for the entire western section of New Hampshire.

The upcoming year is filled with choices both familiar and new. Summer camp is quickly filling, staff are calling the office for opportunities for next year, and our new adventure programs are filling. We hope to benefit both our campers and the world with a trip to South Dakota next summer which will work on an Indian Reservation for one week and then tour Wyoming and Montana. None of this would be possible if it weren't for all our staff and the campers.

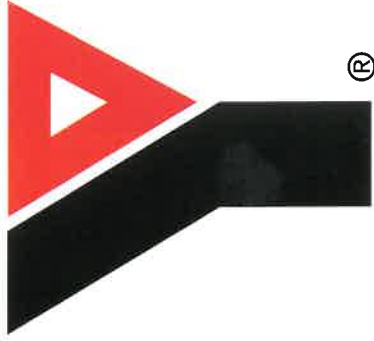

Like the beaver, we are constantly working to improve the lives of our campers and community. Through programs which stress caring, honesty, respect, and responsibility we offer campers an opportunity towards positive growth and peer pressure. The ability to associate with a fine group of young people throughout the year, not just a few weeks each summer, is what Coniston is really all about. Thanks for all your support, I'll see you later this year at camp.

Fondly,

John Tilley
