Dear Campers and Staff,

Each year I fill this space with thoughts of the past summer and the “meaning” of camp. Last summer again filled our hearts and memories with fun and meaningful times that are difficult to describe to friends and parents who weren’t here. Think back on CITs running in the lake, lumberjack ninjas, Rick Ellis Night, chanting FYC in the dining hall, frisbee and volleyball, hanging out in the Adirondack Chairs with friends, foam domes, the mother breed, dancing and singing Hey, Hey Baby after meals, and fireworks on the last night...SINGAPORE! But we all know camp is much more than that.

Last summer during Session 4 Chapel, Tracey Kleeman read a letter she named *My Camp*. There is no way I could have written about the impact camp has on all of us any better. Thank you for writing this for us Tracey.

“When I was ten years old, I embarked on an exciting and life-changing adventure. Having been through a lot in my life already, I was looking for a sanctuary. I found myself in a world of crazy counselors and people who had been there before. I was intimidated and scared. As the years went on I looked forward to visiting my sanctuary all year long. It became my second home. I found myself meeting more and more people every year. Now as I move on in my final year as a camper, I find myself in a state of nirvana. My cabin is full of wonderful, kind girls. You may call them friends... I call them my sisters. My counselors teach me something new about myself every year. Overall, I would not trade the past five years here for anything. This is my place to get away from everything and simply enjoy life. So I thank you all, even those of you I hardly know, for being part of my sanctuary, my camp.”

Coniston becomes our sanctuary and those of us who are lucky enough to be here in the summer realize this. It wouldn’t happen without all of you—campers, volunteers and staff. Thank you all for being a part of Coniston and making us the most special camp on earth.

See you next summer.
