December 2005

Reflecting on our past summer together... It was amazing.

Campers and staff alike seemed to feel a touch of extra magic throughout the summer. Camp Coniston is an amazing place where campers energize the staff and the staff energize the campers in a never-ending cycle.

This year was memorable for many reasons and would not have happened without the work of the staff who put in extra effort to make certain that 2005 was the best ever. Take Max Rosen for example. Max, one of last summer's program directors worked tirelessly to have new and improved evening programs and tie them together with fun themes. There were the Olympics, Harry Potter and the Lord of the Rings just to name a few. Gen Izutsu who was also a program director made certain the summer was memorable with many new teams and intra-camp games. We had teams in basketball, Frisbee, soccer, volleyball, tennis, baseball and softball, swimming and dodge ball. I still wish we could have sent a "spelling bee team" somewhere but there is always next year.

John McNair and Emmy Watson did an amazing job as Boy's and Girl's Camp Directors.

Both Emmy and John worked with the summer staff and the campers in a way that made it easier for everybody to have a great time. Without their leadership camp would have been much different.

We were blessed with returning staff who made such heartfelt efforts to welcome newcomers to camp, that our newcomers became instant stars along side the returnees. I watched campers sail better than ever before, ecology was a lot of fun, drama was "bigger" than ever, and it seems like all of the camp's program areas did a really great job.

Important things happen in the off-season that also make camp a huge success. JD did an unbelievable job of staffing the summer and making certain everything was ready for the campers and staff alike; and Lorraine registered thousands of campers and made certain everybody's health form was in before camp so the lines on check-in day would be shorter. Aaron and the maintenance staff really had camp looking great this year with a new porch and walkway to the office and a renovated infirmary and arts & crafts area just to name a few.

All of these things happened so that the friendships that we all look forward to each summer could grow effortlessly. Nothing feels more like

Camp Coniston than returning campers welcoming old friends and everyone making new friends. I can't wait to see everybody next summer...I think it is going to be even better.

Sincerely,

John Tilley

A collage of 10 photographs documenting the construction of a playground. The photos show various stages of the project: a man painting a sign that says "JOHN'S OFFICE" on a green wooden structure; a basketball hoop being installed on a red and white frame; workers on ladders painting the sides of a large wooden tower with green paint; a blue and white van parked near the construction site; and other shots showing the progress of building the wooden structures. The background of the collage is a solid orange color.

Campers-In-Training to be Caniston Counselors is the first step in our Leadership training for 16-year-olds who have completed at least 10th grade in school. The focus of the 4-week program is on personal leadership and teambuilding in addition to working with youth. Some of the highlights are working together on blazing new horseback trails, training to pass American Red Cross Lifeguarding, adopting a cabin to mentor campers, working at YMCA Camp Oakes in California, going on a solo, hiking Mt. Washington, hiking the Grand Canyon and of course... **RUNNING INTO THE LAKE!**

5-Year Campers

We have 115 campers who received this honor in 2005. We read each name at the closing candlelight ceremony in the summer, we designate this part of the camp annual to them and over the winter all names will be engraved on a paddle and hung in the dining hall so in 20, 50, 100 years these Conistonians will still permanently have a place at Coniston!
