YMCA CAMP CONISTON

"Live, Laugh, Loon"

2012 Annual & 2013 Calendar

Archery, canoeing... drama, swimming... soccer, water-ski... friendships.

The list of what we learn at camp every summer is long, and important. Teaching every camper how to swim may be the most important thing we don't really talk about at camp. We have no idea how many lives have been saved because campers learn this important skill only to swim safely for the rest of their life.

However, this past summer we banded together to teach through example with a simple gesture. On opening and closing days families brought food which was delivered to the local homeless shelter and food pantry. The nearly 3000 pounds of donated food frequently went out the front door with people as it was being brought in the back door by camp staff.

Everybody is always watching--and always learning. Activity times are really just a distraction so we can teach what really matters through example. It is these lessons learned that parents are referring to when they say their children come home different after camp.

Without knowing it, each of you really helped us teach Camp's most important lessons: caring for others, both known and unknown; responsibility, not just in word but by deed; and love of our friends as well as the stranger passing by. So whether you are receiving this calendar as a camper, donor or staff know that the pictures inside capture us all learning important life lessons... not just of running, laughing and playing but also of caring, giving and loving.

That's what makes each summer at Coniston special, learning from each other and being outdoors.

[illegible]

Originally named "Long Pond," the Dudley family chose the name "Lake Coniston" and the State accepted the name in 1943. This new name was in honor of a favorite book named Coniston by Winston Churchill which was set in Croydon. • Average Depth: 12 feet • Maximum Depth: 27 feet • The lower portion of the lake, we call "Second Lake," is a no wake zone • 129 acres of water surface • Length from the Boathouse to Flume 1.25 miles • Overnight spots: Trigger, Loon, Generals Grove, Flume, Boys Cabin, Gazebo, Boys Lean To • Wildlife we see frequently: turtles, frogs, trout, loons, blue herons, river otters. Lake Coniston gives us all sorts of wildlife exposure — lake, pond, and bog life.

Canoeing – 816 campers • Ecology – 240 campers • Kayaking – 320 campers • Sailing – 536 campers • Snorkeling – 356 campers • Swim Lessons – 1380 campers!
Waterskiing – 288 campers • Overnights – 128 cabin groups were scheduled for overnights! • Viking Night – division evening program, 115 senior campers
Snorkel-Off – 95 + 36 in the finals • Coniston Triathlon – 40 ironmen & 28 team swimmers/kayakers • Free Swim – HUNDREDS!!! • Lifeguard Classes – 68 CITs
