2013

FOR YOUTH DEVELOPMENT™
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

This coming summer marks two events that changed Coniston forever. I would argue that these events were so significant that they changed each of us who have come into contact with Camp.

50 years ago our YMCA moved to our present site. I have notes that describe the move, and I love the line where they described first seeing the lake... "We thought we found the most beautiful place on earth."

It took a lot of hard work and dedication from many people to make that move possible. But it's an effort that continues to transform members of our community every year.

In 1984, a man named Carl Witherell decided to make his impact on all of us. Upon his death, Carl designated part of his estate to fund campers to come to Coniston each and every summer from then on. Last year, as we added up the number of campers Carl has sent to Camp and realized that he will have provided more than 1500 camperships this coming summer. That is an entire year worth of campers in 30 years time!

Because Carl ensured that everyone could attend Coniston, he forever changed our community.

Community... that is what we're all about. It's why campers return every year. It's what donors hope to provide when they help send kids to camp each summer. It's the reason alumni feel camp was so transformative.

We should all be thankful for the work of others that has allowed us to be a part of such a great organization.

How can we measure our thanks? One life at a time, that's the way we add up camp every year.

See you next summer

SERVICE TRIPS

The Inaugural Summer!

Trip Leaders: Katie Henoch & Simon Jerome

JULY 7 – JULY 18, 2013... THE FIRST CONISTON SERVICE TRIP EVER!

On this Appalachian Adventure trip we had Katie and Simon with help from Krissy Lafiasco who knows lots of Conistonians outside of camp but this was her first year with us. We spent a week doing volunteer service in West Virginia at ALMOST HEAVEN HABITAT FOR HUMANITY. We became construction assistants and learned how to build a handicap access ramp! We learned how important it is to work as a team and how rewarding it is to create a much needed structure for people who can't do it themselves. Once the ramp was completed we took off for a rock climbing adventures at Seneca Rocks then some white water rafting on the Yough River. Before heading home we also did some amazing zip lining and a treetop tour. The drive in the Camp Bus may have been long but we had tons of fun along the way and made so many memories while helping others in need.

JULY 21 – AUGUST 1, 2013... THE SECOND CONISTON SERVICE TRIP... AND IT WAS ALL FEMALE, PLUS SIMON!

This trip was full of laughter which made the hard work fly by. We went to Virginia and worked with FEEDING AMERICA SOUTHWEST VIRGINIA. We stocked, sorted, and distributed food from the warehouse food pantry. We loved working with James Andrews; he made service work fun, engaging, special, meaningful, but mostly he was such an inspiration to all of us. After our time at the food pantry we started our adventure portion with some white water rafting on the Lower New River (PA) and then we had a day of zip lining! To wrap up our time together we had a fun day just bonding even more (if that's possible) at Camel Beach Mountain Water Park. Our girls-only group was amazing and it was hard to say good-bye!
