

2015 Summer Memories!

2016 Calendar

Summer Camp Annual 2015

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Camp changes us.

We like the people who are our new friends. We like the people we become.

In spite of the fact that we change, we are often unaware that Camp changes.

2015 was a summer for big change. Most notably, the absence of water skiing for the first time since 1964. During those years, campers learned the joy of getting up on skis and felt the sense of accomplishment that comes along with it.

So this summer we watched as many campers sailed across the lake all day, every day, learning to feel the wind and tack on a dime. Canoes and kayaks easily paddled through the front lake and into the second lake during their classes to take in the beauty that we used to only see on overnights. We were able to add paddle boarding.

So, instead of one person at a time skiing around the lake over 70 campers could be seen every period, all day long, participating in all sorts of activities.

But that's not all, we rebuilt six boys cabins. We moved snorkeling back to family beach where it all began. We moved skeet shooting to riflery. We added printmaking to arts and crafts. Together, the staff made this one of the best summers in Coniston history.

So in the end, it is all about change. Change so that Camp becomes better. Change so that we become better. Change so we can change the world. And these days, that sounds like a great idea.

See you next summer!
