MISSION STATEMENT

As a nonprofit service organization with a focus on youth,
YMCA Camp Coniston creates experiences that build spirit, mind, and body for all.

*“Dad . . . we we running and high fiving everyone . . .
and I felt like I was flying . . .”*

It was then that I realized the absolute magic of the Coniston team that has touched my daughter in her seven incredible years. You help children fly.

—REMARKS FROM A PARENT

Camp can be a lot of things, but it’s really only about one thing — people from all walks of life learning to live together in the great outdoors. At Camp there’s no baggage, no social groups, and all social barriers break down. Children learn how to be self-sufficient, how to socialize, and how to be confident and resilient. Kids can be kids again.

There’s no question, the benefits of spending a week or more away from parents and meeting new people extends beyond the fun and friendships. Studies by the American Camp Association show that overnight camp experiences actually help prepare kids for adulthood.

This is why campers return summer after summer. They feel safe—safe from the pressures of electronics, safe to have nice friends, safe to try on a new persona and be goofy. At Camp, kids grow to be individuals, all while learning from great staff role models who have been trained in the Coniston Community.

I hope throughout the year you will spread the magic of Camp into your communities. And I hope you know that here at Coniston, no amount of snowfall can mute the echoes of summer’s joy.
