To All Our Friends At Camp Coniston -

We hope you enjoyed this summer of '74 as much as we enjoyed having you here at Camp Coniston.

It has been another successful season with eight hundred and two different campers for a total of nineteen hundred and seventy-six camper weeks, a record for the eleven years we have been in operation as a co-ed camp on our own Lake Coniston in Croydon, New Hampshire.

This means more than a statistic to us. It means campers having fun and sharing - campers learning to appreciate the great outdoors - learning new skills and improving old skills; it means creativity and activity - friendship and leadership; it means exercise, fresh air and sunshine - community spirit and genuine love; it means the YMCA serving you so that you may serve others and help to make this a richer, better world.

See you in '75!

summer breeze,
Showing off those silver leaves

Sweet singing on summer nights

so to say goodbye to you
Wish you didn't have to go
I'll think of summer days
