YMCA CAMP CONISTON ANNUAL 1975

DIRECTORS' MESSAGE

To All Our Coniston Campers and Staff

Messages such as these often seem trite and meaningless; but nevertheless, with all sincerity we want to say that it was a terrific summer in every respect. Except for the few rainy days when we tried to keep everyone happy, the weatherman provided us with many beautiful, sunny days. New friends were made and old friendships renewed amidst the paradox of quiet beauty and seemingly endless activity.

To our campers — because you are so enthusiastic about Coniston, we again broke a record for camper weeks and had a completely full camp all summer, making it a joy to provide quality camping to so many.

To our staff — once again you gave 100% effort and cooperation, and the outstanding talent of so many was evident in all that was done. Because you love kids so much and seek to understand them so well, Coniston has a staff in which any director can take justifiable pride. It was a really safe summer because you were alert and trained.

A special appreciation must go to our maintenance people, under Art Carver's direction, who saw that we had a clean, well-kept, attractive facility that ranks with the best.

To the unsung heroes in the kitchen — we say thanks for meals that may be the source of skits and jokes but are much appreciated nevertheless.

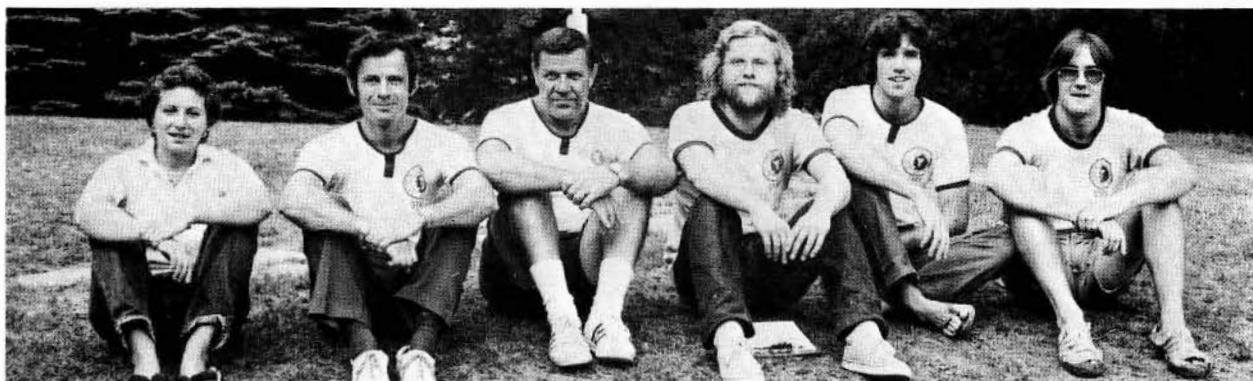

May all of you have a really challenging, fun-filled year and come back again to be with us for the Bicentennial Year of our nation — 1976.
