### DIRECTORS' MESSAGE

*This Coniston Annual comes to you at this holiday season with the hope that it will rekindle the "Spirit of Coniston" which is so much a part of our camp life and cause you to reflect on last summer's experience. Coniston is more than just a beautiful, natural place in the hills of New Hampshire. It is a spirit of friendliness, of fun, of concerned leaders, of skills learned, of special events, of fresh air and sunshine, of lake and sky and trees. It is a place we enjoy, a place where we grow in body, mind and spirit. It is a place of busy activity and quiet solitude. It is a way of life for two, four, six, or eight weeks.*

*We hope you will be with us again in 1978 to share all our hopes and dreams, to meet new friends, to do new things, to enjoy once again, the beauty of this spot on Lake Coniston.*

*Bob and Erma Sanders*
