 WHOSE NINE YEARS OF DEDICATION HAVE ADDED
 IMMEASURABLE TO CONISTON'S SUCCESS

DIRECTORS' MESSAGE

This year of 1978 marks our tenth anniversary as co-directors of Camp Coniston. As we look back over those ten years we realize that we have had the privilege of serving almost eight thousand campers and over seven hundred staff persons. They have been good years and we have thoroughly enjoyed them. We have seen our camper capacity grow, have seen many improvements to the camp site and facilities and witnessed a great deal of talent by many staff and campers. The beauty of this spot has never failed to inspire us and the many relationships we have had with people of all kinds has truly encouraged us. As we face our second decade here at Coniston we look forward eagerly to seeing and serving you. We will try our very best to provide you with a top quality camping experience that combines love of the out-of-doors with fellowship, skills, service and inspiration. As we look at this "Annual" let us remember the warmth of the sunshine, the smile of happy campers, the comforting words of a friend and the familiar call of the loon until we meet again next summer at this place we call Camp Coniston.
