YMCA CAMP CONISTON ANNUAL 1980

THE DIRECTORS' MESSAGE

We hope that this "Coniston Annual" will rekindle in your hearts and minds many fond memories of a season at Camp Coniston. We enjoyed having you here to share together the fun and friendship that makes camping so memorable for all of us. We know that our fine staff did everything possible to make this a really enjoyable camping experience. The weather, for the most part, was quite cooperative. The natural beauty and quiet serenity certainly contributed. The excellent facilities the YMCA has provided made a lot of opportunities for skill enrichment possible. Above all, the fellowship we all enjoyed made it so important to us as we shared together in meals, program and conversation. We look forward to seeing you again next year for what promises to be another memorable year on the shores of Lake Coniston.
