YMCA CAMP CONISTON ANNUAL 1982

THE DIRECTORS' MESSAGE

We hope that this Annual with all of its pictures will bring back lots of fond memories of a summer at Camp Coniston. We hope it will rekindle old friendships and continue many new ones. We hope it will remind you of good times, warm sunshine, a refreshing dip in the lake, nice clean air, and lots of fun-filled activities from morning to night. Our special thanks must go to all of those staff members who made your summer a good one. To those who have spent many years at Coniston and may not be able to return, we are grateful for their loyal dedication. To those who were here for the first time, we sincerely hope they will be able to return at least one more year. To all of them, we are grateful for giving so much of themselves that you, the campers, might have a good camping experience. We are sorry that all of you cannot be featured in these candid pictures but we know that all of you will think of Coniston throughout the winter until we meet again on the shores of Lake Coniston.
