YMCA CAMP CONISTON ANNUAL 1984

THE DIRECTORS' MESSAGE

This annual seeks to bring to you, who were participants in Coniston, a sense of the spirit of fun and fellowship that marks its image. Through these photos we hope to spark a remembrance of those warm sunny days of summer when friends shared a unique experience. There is something special about this place on Lake Coniston that seems to come alive each year. It represents the enthusiasm of campers and staff. It represents the natural beauty of the lake, the forest, the sky. It represents the wide variety of activity that keeps all of us busy but happy. It represents reveille, flag raising, cabin cleanup, meals in the dining hall, program activities, skits and plays, counselor hunts and Sunday afternoon games, campfires and overnights, evening cabin groups and all-camp talent shows. It represents the renewal of old acquaintances and all the new friends we made. Coniston is people. Coniston is people who share. Coniston is people who care. Coniston is a moment, a place, a gathering, a community, an experience that lasts a lifetime. We know you'll want to return to share all of this with us.
