YMCA CAMP CONISTON ANNUAL 1985

This annual comes to you with greetings from Erma and myself for a very good new year. Its pictures will serve as a reminder of those warm, pleasant days at Coniston this past summer when friendships were renewed and new ones were made. It will bring back to you many happy moments shared with those friends and with all of the campers and staff during your stay here. Somehow our years at Coniston remind us of all the campers who have shared with us this special place of beauty and we are grateful for them. We hope that the efforts of our staff to provide a good camping experience are appreciated by you and that the magic of this place, which they have helped to enhance, has rubbed off on you. We appreciate their enthusiasm, their skill, their genuine love of people and their sense of responsibility to themselves and their campers. As we celebrated the one hundredth anniversary of YMCA camping we celebrated those dedicated people through the century who have made camping a very special program. At Coniston it was our 22nd year and all of those staff down through the years and all of the faithful members of the Camp Committee through the years have made this possible. It is to them that we dedicate this annual and to the future bright with hope that they have provided.

Bob and Erma Sander.
