YMCA CAMP CONISTON ANNUAL 1987

As this "Coniston Annual" comes to you this year of 1987 it marks the beginning of the twentieth year for Erma and myself as directors of Camp Coniston. These have been happy and significant years for us, and, we believe, for Coniston as well. We have seen many campers and many staff share with us the beauty of this place and the spirit that has made it so special. We hope it has been a good year for you and that you will return again to meet new friends, become reacquainted with former friends and to share with both your enthusiasm for this unique place. Remember the sun sparkling on the water, the trees swaying in the cool breeze, the care and concern of the counselors and the mysterious cry of the loon. Think often of the magical beauty of the lake, sky and trees, of the happy, care free moments of just plain fun, of the skills taught so carefully by the staff, of the silent majesty of the star-filled night and the warmth of love from friends and leaders. We hope these pictures will rekindle in you fond memories of your summer at Coniston and will stay with you not only throughout the coming year but for a lifetime. Come back again to share with us all that is good and meaningful in this place by the clear, spring-fed waters of Lake Coniston and the hills that rise above it like the beckoning hands of God.
